LOGNOTE -- Acting Chief, Operations Group, 9 October 1986

1. [ ] Following notes are from the AD/FBIS' staff meeting: 25X1
- The Agency deputy directors are discussing problems for the future and have handed FBIS the question of information handling in the 1990's. [ ] 25X1
  - The DS&T has printed a list showing monetary awards by office for FY-86. FBIS seems to be in line with the other offices. [ ] 25X1
  - [ ] is briefing Congress on the Reston move this week. [ ] 25X1  
25X1
  - Some progress is being made in speeding employment processing for spouses of employees assigned overseas. Under the new plan, they will be able to apply for staff positions 4-5 months before their return to the States, and will have the option of coming to Headquarters for medical/poly before starting home leave. More details later. [ ] 25X1
  - On Friday, LEC briefed FBIS reps on their new plan for a low-cost automated bureau, which is patterned on the Vienna LAN. [ ] 25X1
  - COMSAT says that it will reserve a transponder for FBIS INTERNET until the end of May without further payment, but it will guarantee an optimal mid-Atlantic bird only through November. [ ] 25X1
  - On 17 October there will be a computer security briefing at 1000 in Rm 400. Branch chiefs and above are especially encouraged to attend. Please notify Dee/Robbin if you plan to be there. [ ] 25X1
